\*SWSC is confident that we offer more as a club than other comparable clubs, including off-the-field opportunities. Each team has at least two team trainings per week plus numerous additional opportunities, as well as non-soccer related programs. Your fees do not cover a team's tournaments and the coach(es)'s fees associated with them, nor are any winter leagues covered. Uniform costs are not included. Turf rental costs, beyond practice time, are the responsibility of each team.
