Club Fees

Club Fees are non-variable fees set each year by the SWSC Board to cover costs that are applicable to all players in each CDYSL Age Group. Club Fees are paid directly to the Club through the registration process. Late payments may incur penalties, including withholding of official player passes and CDYSL-blocked registration accounts.

Club Fees do NOT include individual and team-based fees.

Club Fees for NY Storm Players

Club Fees for the NY Storm EDP Program are estimated to be \$100 more than select club fees.

NY Storm club fees do NOT include individual and team-based fees.

Team Fees

Team Fees are determined by each team - Coach/Manager/Parents - to cover costs of activities such as tournaments, indoor-league play, etc. **Team Fees vary by team and are paid directly to your Team Manager, who handles the payments for the team.** Please contact your coach for an estimate of these costs. Please be timely in your payment of your team fees as your Team Manager is not responsible for covering your fees.

- Any Indoor-League Game Play Fees (At Sportsplex, Afrim’s, Adirondack Dome, etc.)
- Any indoor or outdoor Tournament Fees
- Fall Ball (6 matches)
- Additional costs for activities, such as team building events
-

All team sports at the club/travel level require significant expense to participate in competition. The two tables below provide estimates of Team Fees for imaginary SWSC teams at the competitive and select level based on last year’s prices. **Your team may have higher or lower team fees depending upon the competition events your coach selects for your team.** Please ask your coach which indoor sessions and tournaments they favor. These fees are in addition to the Club Fees and are due to your team manager before session and tournament registration deadlines. Spring CDYSL or EDP fees are included in Club Fees. Please note: your team manager is not responsible for fronting your team fees. Failure to pay team fees by the deadline may result in the exclusion of your child from the session or tournament, as well as increased costs for each player. Please take these extra costs into consideration when committing to your team.
